SUBJECT:

CLUTCH ASSEMBLIES

MODELS:

GT6 & GT6+

"Laycock" and "Borg and Beck" clutch assemblies are now specified as alternative equipment for use on the above models. Either type may be issued by the Spares Division.

Interchangeability

Although either complete assembly can be interchanged with the other, a Laycock driven plate cannot be used with a Borg and Beck cover, nor can the Borg and Beck driven plate be used with a Laycock cover.

Part Numbers Affected

Part Numbers comprising each assembly as follows:

Laycock

Cover assembly	211146
Driven plate	150987
3 set screws (5/16" x 7/8 UNC)	HU.0857
3 flywheel dowels (1/4" dia. x 11/16")	DP.0411

Borg and Beck

Cover assembly	213501
Driven plate	145968
3 setscrews (5/16" x 3/4 UNC)	HU.0856
3 flywheel dowels (1/4" dia. x 7/16")	DP.0407
