**BRITISH LEYLAND MOTORS INC.**  
600 Willow Tree Road • Leonia • New Jersey 07605

NO.

1-D-7

DATE: April 1970

**SUBJECT:**

Countershaft Gear 1st and  
Reverse

**MODELS:**

TR-4, TR-4 A, TR-250  
TR-6, T-2000

The internal bore of Countershaft gear 1st and reverse, Part Number 128107, has been increased in depth to enable a backing washer to be inserted before fitting the needle bearing. Therefore, when ordering this part please insure that you order the backing washer and countershaft gear as a pair.

Part Number 154396 - WASHER backing - countershaft gears  
1st and reverse.

Part Number 128107 - Countershaft gear
