FOR WARRANTY REGISTRATION, DEALER MUST IMMEDIATELY COMPLETE AND MAIL THIS CARD TO ZONE OFFICE WITHIN 24 HOURS AFTER DELIVERY.

The above represents an example of the new revised type of warranty registration card now being put into service. This type card replaces all earlier versions which should be destroyed whenever found in a vehicle to avoid prolonged use of obsolete material.

This new card must be used to register all vehicles sold on or after July 1, 1969, but may be used earlier if available to you.

Additional supplies of the new cards are available thru your zone or distributor office upon request.

HOW TO USE:

- (1) Card to be completed by dealer at time of sale.
 - A If old type card found to be in car at time of sale, it should be destroyed by dealer to avoid duplications.
 - B Card to be typed or clearly printed to insure legibility.
 - C. Obtain customer's signature on card.
- (2) Mail card directly to your local zone or distributor office.
- (3) Zone or distributor will check card for accuracy and retain hard copy for their use.
- (4) Zone or distributor will forward all correct top copies of cards to Leonia for processing.
