TRIUMPH

April, 1972

SUBJECT:

Inlet Valves

MODELS:

1972 Spitfire MK IV

A bigger inlet valve, part number 145328 was introduced at engine number FK25001UE.

Interchangeability is affected as the new valve has a head diameter of 1.44 inches. The earlier valve, part number 126893 has a head diameter of 1.3 inches.
